Labor Law Magazine

Objective

Labor Law Magazine is an English-language online magazine dealing with all business-related topics of German labor law. This high-quality publication follows a practical approach and always considers connections to European law.

Labor Law Magazine is a joint publication of FRANKFURT BUSINESS MEDIA GmbH – Der F.A.Z.-Fachverlag, a member of the F.A.Z. Publishing Group, and German Law Publishers GmbH. It is a member of the Deutscher Anwalt- Spiegel product family. Its aim and mission are to inform our readers about relevant current issues that play an important role in their daily professional activities.

To achieve these goals, we work closely with a number of strategic partners – all highly regarded national and international law firms. They, too, share their comprehensive legal knowledge with our readers. Additional support is provided by our cooperation partners – the Association of Corporate Counsel Europe as well as the Federal Association of Human Resources Managers (Bundesverband der Personalmanager) –, that also distribute Labor Law Magazine within their networks.
